

Our Company

Who is TMI?

- Telecommunications Management (TMI) Inc. – “TMI” – is a privately held company headquartered in Calgary, Alberta.

What does TMI do?

- TMI provides Telecom management solutions to enterprise companies who are frustrated with their telecom suppliers. TMI Telebase eliminates billing errors, enhances telecom management, and reduces operating costs for our clients.

Who are Current TMI Clients?

- TMI clients include: Precision Drilling Corporation, Alberta Research Council, Weatherford, and Mark's Work Warehouse.

Where Does TMI Operate?

- TMI currently operates in Alberta, with plans to expand into major Canadian markets and support Canadian customers who conduct business or have subsidiaries in the United States.
